Dear Mr. Hartman:

This letter shall serve to confirm the recent conversation between myself and Mr. Robert Colburn of your staff regarding final disposition of waste drums (3) discovered in an abandoned status in Taylor, Michigan during October of 1988.

I advised Mr. Colburn that he should keep the U.S. EPA informed of each step of the disposal process (applications for acceptance, facility, dates of shipment, etc.): Since I have recently made a referral of this incident to the Region V RCRA Enforcement Branch, I am now requesting that the above information be presented to Ms. Susan Rodenbeck at (312) 353-6134.

Please do not hesitate to contact me if you have questions.

Sincerely,

Ralph H. Dollhopf
On-Scene Coordinator
